Installation of dependencies by Anvar Ashurov [backend]

MySQL:

GO TO https://dev.mysql.com/downloads/installer/

SELECT:

Choosing the right file:

- If you have an online connection while running the MySQL Installer, choose the `mysql-installer-web-community` file.
- If you do NOT have an online connection while running the MySQL Installer, choose the `mysql-installer-community` file.

Note: MySQL Installer is 32 bit, but will install both 32 bit and 64 bit binaries.
